

ASTRAN SEEKS REINFORCEMENT

BE PART OF OUR DYNAMIC TEAM

JUNIOR IT-CONSULTANT (f/m/d)

ASTRAN Business Consulting GmbH is a young management service provider based in Kiel, Germany. We offer our clients high-quality and innovative services. At ASTRAN you can expect a network of experienced colleagues with a radical customer orientation and a slightly different approach to consulting.

Your tasks

- you are involved in consulting projects of various sizes and advise clients from industry, the energy and railway business together with your team
- you will manage project documentation and reporting and create status reports, presentations and decision templates
- you will create strategies, concepts and prototypes for innovative digital solutions for our customers in a team
- you will monitor project progress, develop measures to ensure successful project implementation and control implementation processes
- within the scope of strategy consulting, you will support our team in market, competition and customer analysis
- you will help our support team on site with IT and electrical engineering know-how.

Your profile

- you have already completed or will shortly complete your studies in business informatics or industrial engineering or a comparable subject with a focus on electrical engineering
- you have knowledge in the IT environment and the current Windows operating systems as well as initial experience in software development
- you have knowledge of common processes and methods of project management and the application of project management tools
- the ability to combine your business management knowledge and your broad PM know-how, to understand complex interrelationships and to transform these into innovative solutions is what sets you apart
- strong communication skills and a self-confident appearance are also among your strengths, as are very good analytical skills and the ability to work in a team
- the flexibility and mobility required in the consulting environment are a matter of course for you
- good English language skills complete your profile.

We offer

- comprehensive further training - our know-how for your personal development
- good work-life balance through flexible working hours and locations
- company pension scheme
- modern workplaces and team events on the Baltic Sea
- free drinks and fresh fruits.
- when you travel on business, you travel first class

We look forward to receiving your detailed application at karriere@astran.de. If you have any questions, please do not hesitate to contact us by phone at +49 (0) 431 90881140.
