

Praktikum (w/m/d)

ASTRAN Business Consulting GmbH is a young management service provider based in the academic hub of Kiel. Our interdisciplinary team offers our clients high-quality and innovative services. Our range of services in the mobility sector is rounded off by the RMR Rail Market Research platform. Here ASTRAN distributes studies and informs about events around the rail market.

Your tasks

- Support in consulting projects for various clients, e.g. in the revision of strategic goals, sales processes or corporate structures
- Developing customer potential, market and competition analyses
- Participation in customer presentations and workshops
- Research and analysis as well as preparation of evaluations
- Preparing, participating in and following up on customer events and experience exchange rounds

What we want from you

- Student (f/m/d) of economics with a focus on business administration, information technology or marketing
- Goal-oriented and analytical thinking as well as a structured way of working
- Confident handling of MS Office
- Strong communication skills, a self-confident appearance and the ability to work in a team
- Confident in the spoken and written German and English language.

What we can offer you

- Insight into interesting projects of well-known customers from the energy and railway industry
- Cooperation with experienced consultants
- A qualifying internship certificate
- Refreshments with water, coffee, tea and fresh fruit
- Flexibility in terms of time so that you can optimally combine your internship with your studies.

We look forward to receiving your application at karriere@astran.de. If you have any questions, please call us at +49 (0) 431 90881140.
